The Department of Physical Therapy Education at Western University of Health Sciences in Pomona, California invites applications from individuals interested in joining our dynamic and growing faculty for a

full-time 12-month tenure-track faculty position at the Assistant or Associate level. Candidate will

ideally have **expertise in two or more of the following areas:** *Exercise Physiology, Exercise Prescription,*

Professional Practice Issues, Nutrition and Wellness, Differential Diagnosis, and Evidence Based Practice

Faculty responsibilities include teaching, scholarship, research in the applicant's area of interest, advising

graduate students, clinical practice, and service. Participation in professional activities is encouraged and

supported. Specific assignments are dependent upon program needs. This position is available **beginning**

January 2019.

QUALIFICATIONS:

- Must have an earned academic Doctoral degree (PhD, EdD, or DSc). All but dissertation (ABD) candidates will also be

considered.

- Must have a minimum of three years clinical experience and three years teaching experience in a graduate program;

an established research record or the ability to establish research in one's area of expertise.

- Licensure or eligibility for licensure in California.

Preference will be given to a candidate with one or more of the following:

- Evidence of teaching effectiveness and/or curriculum development experience in a CAPTE-accredited PT program

- Professional association membership with evidence of advocacy for physical therapy profession at the local, state

and/or national levels

- Evidence of scholarly activity, publications and procurement of funding

Description: • Specialty certification in one or more physical therapy specialties

Salary and rank will be based upon documented relevant experience and qualifications.

WESTERN UNIVERSITY OF HEALTH SCIENCES:

Western University of Health Sciences is a non-profit, independent, graduate health professions/sciences university whose

mission is to educate compassionate, competent, health care professionals. The University is home

to more than 3,800

students in 9 health sciences colleges and 21 degree programs, with exciting opportunities for inter-professional teaching,

research, and service. The University is located in Southern California, east of Los Angeles, in view of the San Gabriel

Mountains, with a 30-minute drive to the mountain ski slopes, and a 45-minute drive to the ocean. The Department of

Physical Therapy Education supports the mission of Western University of Health Sciences by educating culturally

competent and reflective practitioners who are committed to life-long learning, scientific inquiry, critical thinking, and

evidenced based practice to meet the healthcare needs of the community. The Doctor of Physical Therapy program,

accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE) since 08/2006, matriculates 54

students each year. Further information about the university, department, and faculty is available on the Western

University of Health Sciences Web Site at www.westernu.edu.

APPLICATIONS:

Interested candidates are encouraged to submit application materials (letter of application, curriculum vitae, research

statement, teaching statement and three (3) original letters of recommendation) as soon as possible.
