Mount St. Joseph University (MSJU) is a private institution founded in 1920 by the Sisters of Charity emphasizing values, integrity and social responsibility. MSJ is dedicated to providing holistic, individual attention to students as they develop personal and professional skills. Located in Cincinnati, Ohio on the banks of the Ohio River, the Mount offers both urban and rural opportunities for recreation and living. The Greater Cincinnati region has a national and international reputation for quality healthcare and provides many opportunities for leadership, professional practice, and research for physical therapists.

**Description:** The [Department of Physical Therapy](#) is part of the [School of Health Sciences](#) which includes Nursing, Athletic Training, Health and Wellness, and Physician Assistant Programs.

The School of Health Sciences is leading MSJU in new ventures to promote continuing education and development opportunities for healthcare professionals including an Interprofessional Education Initiative. MSJ has a well-established program with a diverse faculty team with expertise across all practice patterns and settings.

Our graduating students are well-known for their professionalism, service to others, and clinical reasoning skills. We have a consistent record of 100% first-time pass rate on the NPTE; tying us for first place with 18 other programs among the nation's 229 programs.

MSJ earned 10-year re-accreditation by CAPTE in 2014.
