Under general direction of the Director, the staff physical therapist is involved in direct patient care of patients in the University of Delaware Physical Therapy Clinic. The position of staff physical therapist is an integral component of the physical therapy clinic and physical therapy department. This person also supervises Doctor's of Physical Therapy students during patient care.

This person also has a role in mentoring of junior staff therapists in Residency and Fellowship training. This involves guidance and consultation with direct patient care. This person functions independently when given instruction of academic and clinical needs to be addressed. This person is expected to maintain communication with the department, for administrative and research components as well as communication with the faculty of other physical therapy institutions on issues of clinical education and specialty area development. This position has an administrative component that is related to needed projects including protocol development and the student interaction with the clinic environment. They also are expected to participate in departmental team and committee work.

Description: Requires an entry level or transitional Doctoral Degree in Physical Therapy and eligibility for licensure in Delaware. Applicants must be eligible for Board certification by the American Board of Physical Therapy Specialties in area of expertise; board certification is preferred. Residency training and 2 years clinical experience including clinical teaching is preferred.
