Description:

The Department of Physical Therapy in the College of Health Professions at Rosalind Franklin University of Medicine and Science welcome applications for a Physical Therapist with a terminal academic doctoral degree to fill a full time, 12-month, tenure track position at the Assistant or Associate Professor level beginning in the 2017-2018 academic year. A candidate who has teaching experience in an academic setting, an active scholarly agenda, and who is interested in contributing to the continued development of our research environment and PhD program is preferred. Preferred candidates will have expertise in neurologic physical therapy, motor control/movement dysfunction, and/or prosthetics and orthotics. Must be license eligible in Illinois.

The University encourages applications from individuals belonging to groups underrepresented in their field and those that can add new and valuable perspectives to the academic environment. We are also particularly interested in applicants with a commitment to mentoring and to increasing diversity in the fields of medicine, science and related health professions.
