Concordia University, St. Paul is accepting nominations and applications for a full-time, tenure-track faculty position at the rank of assistant or associate professor. The successful candidate will join Concordia University, St. Paul in continuing to develop a DPT program that fully supports the Concordia University mission. This position is a 12-month appointment. Preferred start date is 1/8/18.

Primary responsibilities: Teaching and scholarship in areas of expertise across the entry-level DPT program. Additional responsibilities include academic and research advising and service to the program, university, and community.

Desired areas of expertise (One or more of the following): Anatomy, cardiopulmonary, integumentary, musculoskeletal, pathophysiology, and/or pharmacology.

Required qualifications, skills and accomplishments:

Description: A terminal academic doctoral degree or substantial progress toward completion of a terminal degree (PhD, EdD, DHS).

Eligibility for Minnesota physical therapy licensure.

Experience as a successful academic and/or clinical teacher.

Evidence of an ongoing or developing scholarly agenda.

A record of involvement within the professional community.

Ability to function well within a collegial, collaborative work environment.

Active membership in a Christian church.

A commitment to Christian higher education; mission of the DPT program; mission of the University; and the Lutheran identity of this university.
