The School of Physical Therapy and Rehabilitation Science at the University of Montana invites applications for a core faculty, non-tenure track position as Associate Director of Clinical Education/Clinical Assistant or Associate Professor. The University of Montana is an Affirmative Action/Equal Opportunity employer and has a strong institutional commitment to the principle of diversity in all areas. In that spirit, we are particularly interested in receiving applications from a broad spectrum of qualified people. Expectations for this position include teaching, service, and scholarship as commensurate with rank and a commitment to advancing the mission of our clinical education program as the Associate Director of Clinical Education by working in partnership with the DCE. Candidates will be able to teach within 2 or more needed content areas. Projected teaching needs include but are not limited to portions of clinical reasoning, prevention and wellness, and practice and administration curriculum. We seek candidates who demonstrate initiative and an ability to work collaboratively with students, faculty, staff, clinicians, and others with diverse backgrounds. This position consists of an academic year (10 month) appointment along with a 5-week summer contract. Opportunities for clinical practice exist within the School's clinic.

Minimum qualifications:

Candidate must hold or be eligible for PT licensure in Montana

Earned academic doctorate or DPT

3 years of clinical experience

Experience as a Clinical Instructor

Didactic teaching experience

Experience with web-based and software technologies

Strong communication, supervisory, and organizational skills

Able to travel for clinical site visitations

Able to contribute scholarship commensurate with rank

Able to contribute service commensurate with rank

Description:

Preferred qualifications:

Previous CCCE and/or ACCE/DCE experience

Clinical Specialization or Residency Experience

Credentialed Clinical Instructor

Evidence of excellence in clinical instruction

Prior experience in leadership roles

Evidence of engagement in professional organizations

The School is actively engaged in a variety of scholarly and clinical endeavors, and we seek faculty who wish to collaborate and provide synergy to our ongoing efforts; applicants are encouraged to visit the [School web pages](#) describing our faculty members' areas of interest. In addition, clinical research opportunities exist within the [Nora Staael Evert Clinic](#), which houses facilities to manage clients in sports, orthopedics, neurologic and mobility impairments.

The University of Montana offers a unique opportunity for professional growth in a magnificent environment. The University has a rich academic and cultural history and is home to over 11,000 students and 500 full time faculty members. The campus has been described as one of the most beautiful in the US and the region boasts unparalleled year around recreational opportunities. Missoula, a community of over 70,000, offers a blend of small-town charm and big-city sophistication. Numerous publications have

described the University as the Harvard or Berkeley of the North.

How to Apply

Review of applications will begin immediately and will continue until filled.

Priority deadline for application review is January 23, 2018. For more information, visit <http://physicaltherapy.health.umt.edu/>.

For application instructions, required application materials, and to learn more about UM and Missoula, please apply at <http://bit.ly/1853csd>.
