**TEACH YOUR PASSION**

Contemplate, explore, and expound upon the subject you love. Bring your enthusiasm to life as an instructor at Harper College, where your work can have its greatest impact upon individuals from a wide variety of cultures. Feel the elation, as our students take your desire for excellence and make it their own.

We welcome you to inspire others, contribute to your profession, and enjoy the complete educational experience, collegial setting, and advanced technological resources of Harper. Teach more than your discipline. Teach your passion.

Harper College is building a Physical Therapist Assistant program that will prepare students to provide quality direct patient care under the supervision of a licensed physical therapist in a variety of health care settings. As a Physical Therapist Assistant Faculty, the successful candidate will provide full-time instruction and clinical supervision for Physical Therapist Assistant students. This includes responsibility for oversight and procurement of clinical sites. The successful candidate will be responsible for a full-time teaching load in the PTA program.

**Description:**

Requirements:

Must be either:

a physical therapist assistant who is licensed in any United States jurisdiction as a PTA. Associates in Applied Science degree-Physical Therapist Assistant required. Bachelor's degree in a health related discipline required. Master's degree in a health related discipline preferred **OR**

a Physical Therapist who is licensed in any United States Jurisdiction as a PT

Three years of full-time post-licensure clinical practice experience required.

Two years of clinical practice experience as a CCCE or CI in physical therapy, or a minimum of two years of experience in teaching, curriculum development and administration in a PT or PTA program required.

Experience in inpatient, acute care, skilled nursing, or home health preferred.
