A Faculty Development Workshop for New PT/PTA Faculty

From Clinic to Classroom: A Roadmap for Success

We are pleased to offer this third annual, four-day workshop for new faculty in PT and PTA education programs on July 16-19, 2013. This year we have relocated the event from Ithaca College to Hardin-Simmons University in Abilene, Texas for the convenience of regional participants. This workshop is designed to assist new and prospective faculty members in making the transition from the clinic to the classroom.

Major topics in the workshop include: a) The Landscape of Higher Education, b) Career and Professional Development, c) Designing, Delivering, and Assessing Student-Centered Instruction, d) Accreditation and Its Impact on Instruction, e) Establishing and Maintaining a Successful Scholarly Agenda, and f) Balancing Personal and Professional Lives. All sessions will be conducted by award winning educators and administrators experienced in teaching, scholarship, and service. Where appropriate concurrent sessions will be conducted to address the unique needs of faculty in PT and PTA programs.

Space is limited to 40 participants, so early registration is encouraged. Registration deadline is June 30, 2013. Cost: \$795; early bird cost is \$695 if registration is received by April 15, 2013.

Description: Hardin-Simmons University has extensive experience in providing outstanding postprofessional education.

Full details including workshop objectives, topic descriptions, schedule, housing, and registration information is available at <http://www.hsutx.edu/ptfacdev>
