**Expires:** July 18, 2018

The Department of Health, Human Function, & Rehabilitative Sciences invites applications for a full-time, 12-month faculty position to be filled at the rank of Assistant/Associate Professor (non-tenure track). The Program is located in a state-of-the-art facility in the heart of Washington, D.C. The University provides a dynamic academic environment with strong collaborative and interprofessional efforts within the University and beyond.

Responsibilities include teaching courses addressing neuromotor dysfunction as well as other content related to their expertise and developing an active research agenda that has potential to contribute to the scholarship and goals of the program and institution. Faculty are also expected to engage in program, university, community and professional service and mentor students, residents, and fellows. Salary and rank are commensurate with experience. A competitive benefits package is provided

**Description:** **Basic Requirements:** Academic doctorate in physical therapy or related field of study; licensed, or eligible for licensure, to practice in the District of Columbia at the time of appointment; and post-professional expertise in neurologic physical therapy practice.

**To Apply:** Complete the online faculty application at <http://www.gwu.jobs/postings/50441>, upload a CV and cover letter, and provide the names and contact information of at least three professional references. Only complete applications will be considered. Review of applications will begin May 18, 2018, and will continue until the position is filled. Employment offers contingent on satisfactory outcome of a standard background screening.

The university is an Equal Employment Opportunity/Affirmative Action employer that does not unlawfully discriminate in any of its programs or activities on the basis of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, gender identity or expression, or on any other basis prohibited by applicable law.
