<b>Organization:</b>	Franklin Pierce University	<b>Contact Name:</b>	Human Resources
<b>Contact Phone:</b>	(603) 899-4075	<b>Contact Fax:</b>	
<b>Contact E-mail:</b>	<a href="mailto:jobs@franklinpierce.edu">jobs@franklinpierce.edu</a>	<b>Contact Web Site:</b>	<a href="http://franklinpierce.edu/academics/gradstudies/programs_of_study/doctor_physical_therapy/program_info.htm">http://franklinpierce.edu/academics/gradstudies/programs_of_study/doctor_physical_therapy/program_info.htm</a>
<b>Date Ad Started:</b>	June 09, 2017	<b>Expires:</b>	September 09, 2017

Join our dynamic, collaborative faculty, contribute to the development of our enthusiastic students and enjoy the beauty of the Arizona desert, mountains and of course, warm sunny winters. The Franklin Pierce University Doctor of Physical Therapy program is located within the Goodyear City Center, 20 miles west of Phoenix, in a facility designed and built-out in 2012 to accommodate our programs growing needs.

We are expanding our full-time faculty and seeking an experienced physical therapist faculty member to join our team. Primary responsibilities of this 12-month position include development and delivery of the curriculum to students, student advisement, scholarship, leadership in service to the University and to the profession, and participation in community outreach.

Preferred candidates will have expertise in physical therapy management of patient/clients with complex medical conditions and multi-system disease as well as experience in inpatient care management across the continuum of care. Related areas of expertise (orthopedics, geriatrics, neurology) which complement our faculty's knowledge will also be considered.

**Description:**

Qualified applicants will hold physical therapy licensure in Arizona, possess a doctoral degree (e.g., Ph.D., Ed.D., D.Sc.), have a well-established scholarly agenda, and five years of experience in both clinical practice and teaching. Preferred candidates will hold certification in an area of specialization (e.g., GCS, CCS, OCS, NCS). Successful candidates will have a demonstrated excellence in teaching and record of publication commensurate with the rank of Associate Professor.

Interested candidates should send a letter of application, resume and contact information for three professional references to:  
Associate Professor DPT, AZ  
Franklin Pierce University  
40 University Drive, Rindge, NH 03461  
[jobs@franklinpierce.edu](mailto:jobs@franklinpierce.edu)

Please be sure to add "AZ DPT Faculty Position" to the subject line of the email. EOE
