**University of Cincinnati**

**Department of Rehabilitation Sciences**

**College of Allied Health Sciences**

**Visiting Assistant Professor**

The University of Cincinnati's Department of Rehabilitation Sciences is currently accepting applications for a Visiting Instructor or Visiting Assistant Professor with responsibilities in the Doctor of Physical Therapy Program and the Undergraduate Health Sciences Program. This is a part-time (.75 FTE / approximately 30 hours/week) benefits-eligible, 9-months per year, 3-year term position. This position is ideal for a licensed Physical Therapist who wishes to become more involved in higher education. The ideal candidate will be able to independently teach undergraduate coursework in motor learning as well as collaborate with physical therapy faculty in graduate course instruction related to patient care management for neuromuscular conditions.

**Job Description:**

On a part-time, limited term basis, Visiting Faculty Members' principal academic functions include teaching, discovering, creating, and reporting knowledge.

**Minimum Qualifications:**

Entry level degree in Physical Therapy (if BS in PT, a Master's or Doctorate in a closely related area is required)

OH PT license or eligibility

Three years of full-time work experience as a licensed physical therapist

College level teaching experience

Evidence of working with students in classroom and / or clinical settings

**Description:** Evidence of excellent communication and organizational skills

**Preferred Qualifications:**

Terminal degree

Experience with e-learning or distance learning

Teaching and clinical experience in areas of motor learning and neurological rehabilitation

Teaching experience at both graduate and undergraduate levels

Demonstrated student mentorship experience
