Assistant/Associate Professor - Physical Therapy

University of Massachusetts Lowell

This is a tenure-track position at rank commensurate with experience (Assistant or Associate Professor). Responsibilities associated with this position include scholarship in the area of human movement analysis, motor control or learning and/or musculoskeletal biomechanics; and teaching in the candidate's area of expertise. We are specifically seeking candidates who can complement and expand department and college strengths in the area of human assessment.

Minimum Qualifications:

- Earned PhD (or equivalent) in physical therapy, exercise physiology, biomechanics, motor control, kinesiology or related area (must have PhD or equivalent at the time of application)
- Assistant Professor rank candidates must have a research program with a strong likelihood of funding
- Associate Professor rank candidates must have a strong record of teaching, research and service in a tenure-track position with a record of extramurally supported research
- Ability to work effectively with diverse groups; excellent oral and written communication skills in English

Description:

To apply, please visit <https://jobs.uml.edu>. Please submit a cover letter, curriculum vitae, writing sample, research interest and research statement, and the names and contact information of three references. Review of applications will begin February 1, 2013, and continue until the position is filled. However, the position may close when an adequate number of qualified applications are received. Thank you for considering the University of Massachusetts Lowell as an employer of choice. We look forward to receiving your application.

The University of Massachusetts Lowell is committed to increasing diversity in its faculty, staff, and student populations, as well as curriculum and support programs, and promoting an inclusive environment. We seek candidates who can contribute to that goal and encourage you to apply and identify your strengths in this area.
