The Department of Physical Therapy in the School of Health at Rehabilitation Sciences at the MGH Institute of Health Professions invites applications for a 12-month, full time Assistant Professor/Associate Professor position. Candidates for this position ideally will have expertise in management of patients with neurological conditions, with responsibilities in advising, research/scholarship and service. Strong candidates will have teaching experience and evidence of research/scholarship productivity. Research start-up support may be negotiated.

#### **GRADUATE PROGRAMS IN PHYSICAL THERAPY**

The Department of Physical Therapy offers a 3-year DPT degree and a 1-year Residency in Orthopaedic Physical Therapy. The DPT program is highly regarded and is currently launching a visionary new curriculum. An interdisciplinary PhD program and integrated interprofessional activities reflect the commitment of the Institute to interprofessional education. Our highly respected faculty is recognized for expertise as educators, scholars and master clinicians, and for their involvement in leadership positions in the profession. The Institute is an autonomous graduate educational institution that is an academic affiliate of the Massachusetts General Hospital and a member of the Partners HealthCare System.

#### **QUALIFICATIONS**

Preference will be given to candidates with an academic doctorate (PhD, EdD, ScD, DSc) and academic teaching experience; however, candidates with a clinical doctorate and neurological clinical specialization may be considered. A clear scholarly agenda is required; however, a demonstrated record of scholarship is preferred. Eligibility for physical therapy licensure in Massachusetts is required.
