Contact E-mail:	kgibbs@txstate.edu	Contact Web Site:	
Date Ad Started:	August 14, 2017	Expires:	November 14, 2017

The Department of Physical Therapy at Texas State University is seeking faculty for the Round Rock, TX, campus at the clinical assistant professor or clinical associate professor rank for a nine-month appointment with possible summer employment annually. Rank and salary will be commensurate with the candidate's experience and qualifications. Faculty responsibilities include clinical supervision and administration of onsite clinical practice, teaching, academic advising and service in the entry-level DPT program. The ideal candidate will have clinical teaching experience as well as clinical management experience that will support and enhance the department's teaching, scholarship and service.

Required Qualifications: Entry-level DPT, t-DPT or advanced degree in physical therapy; eligible for licensure in Texas; at least 2 years of clinical practice experience and recent/current clinical engagement if employed in an academic setting; broad clinical and/or teaching experience with a variety of patient populations in a variety of settings; and record of accomplishments in scholarship, teaching, and service appropriate for appointment at the rank of Clinical Assistant Professor (less than five years teaching) or Clinical Associate Professor (minimum five years teaching). The successful applicant will receive the appropriate rank and title based on university and department established standards.

Preferred Qualifications: Demonstrated ability to collaborate with a variety of professionals within the university or clinical setting; demonstrated leadership in education and/or clinical practice; professional association membership with demonstrated active participation and commitment to service; experience and/or interest in clinical research; certification in one or more physical therapy specialties; and acute/ inpatient/long term care experience.

Description:

Only applications submitted for this specific posting through the Texas State University website, <https://jobs.hr.txstate.edu/postings/20219>, will be accepted and considered. To apply send letter of intent that specifically addresses the qualifications noted in this posting, current curriculum vitae, and unofficial transcripts. The selected candidate will be required to provide official transcripts from all degree-granting universities. This position is open until filled with first review date of November 1, 2017.

As of May 2018, the Department of Physical Therapy will be located at Texas State University's Round Rock campus in Round Rock, TX.
