The University of South Florida is a Carnegie Tier 1 Research-Extensive university serving over 47,000 students in the Tampa Bay area. It is the 9th largest university in the US. USF Health is a comprehensive academic health sciences center comprised of Colleges of Medicine, Nursing, Pharmacy, and Public Health along with Schools of Physical Therapy and Rehabilitation Sciences, and Biomedical Sciences which provide outstanding opportunities for collaboration and research. Faculty, staff, and students of the School benefit from dedicated teaching, lab, and study spaces with distance learning capacity. The School's state-of-the-art 6,000+-sq. ft. Human Functional Performance Laboratory and state-funded Center for Neuromusculoskeletal Research boasts over \$4M in funded extramural research. The School's clinical faculty provide clinical services at the USF Physical Therapy Center in collaboration with other healthcare specialties, offering the potential for patient-centered research studies. Numerous area hospitals and healthcare practices (including Moffitt Cancer Center, James A. Haley VA Hospital, Tampa General Hospital, Florida Hospital System, Lakeland Regional) likewise cooperate in clinical, educational, and research affiliations.

The USF Health School of Physical Therapy & Rehabilitation Sciences (SPTRS) announces at position at the Assistant/Associate level. This full-time, 12 month position will partner with the existing core faculty and staff located on the USF Health (Tampa) Campus. The School seeks candidates who will contribute to the interprofessional educational and research collaborations within USF Health and other public and private entities. Faculty rank, salary and start-up packages are highly competitive, commensurate with academic qualifications. Position may be tenure-accruing or non-tenure accruing and will remain open until filled.

University of South Florida, School of Physical Therapy – [Job Post ID # 11224 Assistant/Associate Professor](#)

Responsibilities:

Teaching assignments in the DPT program / Scholarship and funded research activity / Service on School, College and institutional governance committees, as well as in public/professional organizations.
