Chair, Department of Physical Therapy

The College of Health Care Sciences at Nova Southeastern University invites applications from Program Directors and others, for the position of Chair of the Department of Physical Therapy. The Department Chair oversees the operations of, and supervises the Directors of the entry-level DPT, the t-DPT, and PhD programs at the main campus in Ft. Lauderdale, and the Associate Director of the Hybrid entry-level DPT at NSU's Tampa Student Educational Center (SEC). The department is seeking someone who has a record of dynamic and innovative leadership and who is committed to ensuring academic excellence at all levels in all its programs.

The position is a 12-month faculty position with an administrative appointment. It is expected that candidates will meet university standards for the faculty rank of Associate or Full Professor. Salary and rank are negotiable, commensurate with qualifications and experience. The ideal candidate would be energetic, articulate, visionary and an effective decision maker and problem solver, an independent thinker and a leader of students and faculty.

Description: **Job Requirements and Qualifications:** The candidate must possess a doctorate, a PhD or equivalent, hold physical therapy licensure or eligibility for licensure in Florida, and have a record of administrative, academic and research accomplishments. The qualified applicant must be a graduate of an accredited physical therapy program, have a minimum of five (5) years of clinical experience, and have a record of experience in academic administration including appropriate allocation of faculty and financial resources.

Start date: July 1st 2013.

Review of applications will begin immediately and continue until position is filled. Interested candidates may also visit the Nova Southeastern University Exhibit Booth 603 at the APTA Combined Sections Meeting in San Diego on January 22-23, 2013. Dr. Stanley H. Wilson, PT, Ed.D, Associate Dean of Academic Affairs and Chair of the Search and Screen Committee, will be available to conduct preliminary interviews. To schedule an appointment for an onsite interview in advance, please contact Dr. Wilson at (954) 262-1266 or swilson@nova.edu.
