Cuyahoga Community College (Tri-C®) is proud to be Ohio's first and largest community college. Our Health Careers and Sciences department is seeking an experienced leader to be responsible for overall management of the workforce training program. We will rely on you to foster a networking and learning environment where students in the Medical Lab will have the opportunity to develop relevant work skills, earn academic credit and advance in their professional careers.

Qualifications

Master's or Ph.D. in a Biology/Chemistry-related field

Nationally recognized ASCP-BOC or ASCP-BOC generalist certification as a Medical Laboratory Scientist/Medical Technologist

Minimum of three years of experience in a clinical laboratory science education that includes teaching courses, conducting and managing learning experiences, evaluating student achievement, providing input into curriculum development, policy and procedure formulation, and evaluation of program effectiveness

Successful completion of Bureau of Criminal Identification and Investigation (BCI) background check

Demonstrated experience supervising, planning, assigning, scheduling and ensuring the quality of work of others

Description: Experience forecasting, planning, maintaining, preparing and monitoring a business area's budget

Experience making decisions that have major implications on the strategy, management and operations within a department

Comprehensive knowledge of education methods and administration, as well as current NAACLS accreditation and certification procedures

At Tri-C, we're putting students on the path to a bright future.

From more than 1,000 credit courses in over 140 career and technical programs and liberal arts curricula, to workforce training courses and programs designed to assist individuals with job skills training, **Cuyahoga Community College (Tri-C)** is helping students prepare for a better career, professional development and a bright future.

Cuyahoga Community College (Tri-C) has the lowest tuition in Northeast Ohio and is dedicated to helping students pay for college by providing low tuition rates, financial aid opportunities, scholarships and grants – contributing to optimal student success! For more than 50 years, Tri-C has provided high-quality, affordable education and programs to more than 900,000 members of our community. We're proud to be Ohio's first and largest community college. Help us continue the tradition.

Discover Tri-C. We offer a competitive salary and comprehensive benefits package.
