The University of Central Arkansas (UCA) Department of Physical Therapy invites applications for a full-time faculty position to begin as early as August 16, 2018. This is a 10-month tenure or non-tenure track position (depending on credentials) with a separate summer appointment. Successful applicants will:

- be eligible for licensure as a physical therapist in Arkansas.
- possess a clinical doctoral degree in physical therapy or an academic doctorate in physical therapy (or a related field). Candidates who have completed all but the dissertation toward an academic doctorate will be considered.

Description: Preference will be given to candidates who also possess experience teaching cardiopulmonary, geriatric, or neurologic physical therapy or therapeutic exercise, documentation, or physiology. Teaching experience and certification as a clinical specialist are considered assets.

Successful candidates will have established or demonstrated the potential to develop a program of scholarly productivity and will also be expected to be involved in service to the university and community. Numerous opportunities exist for collaborative research within and outside the institution. Rank and salary are commensurate with experience and qualifications.

Review of applications will begin immediately and will continue until the position is filled. Interested applicants should send a letter of interest, CV, a written teaching philosophy (no more than one page) and list of three references to jobs.uca.edu.

The University of Central Arkansas is an Equal Opportunity Employer. This search will be conducted in compliance with the Arkansas Freedom of Information Law.
