About USAHS:

The [University of St. Augustine for Health Sciences \(USAHS\)](http://usa.edu) is a graduate institution that emphasizes health and rehabilitative science education through innovative classroom and distance education, and offers degree programs in physical therapy, occupational therapy, nursing, education and health science, as well as continuing education programs. Founded in 1979, USAHS has campuses in [San Marcos, California](http://usa.edu); Miami and [St. Augustine, Florida](http://usa.edu); and [Austin, Texas](http://usa.edu). USAHS is regionally accredited by the Western Association of Schools and Colleges Senior College and University Commission.

San Marcos, California, Campus:

Our flagship campus is less than an hour north of San Diego and a short distance from Pacific Ocean beaches. Nestled in the North County foothills, San Marcos is known as an "Education Hub" with a high-quality medical community. The campus has state-of-the-art research labs and classrooms; a simulation lab; wellness center; and its own facility dog.

What's it like to work for USAHS?

As an employee of the University of St. Augustine, you will add energy and excitement to the entry-level Doctor of Physical Therapy programs. "Clinical Excellence" is our focus, and every day is an opportunity for you to live the mission of developing professional health care practitioners through innovative, individualized and quality teaching methods. Together with the support of fellow faculty and clinical partners, you will contribute to USAHS's dedication to delivering excellence and innovation in education for our students.

The Role:

The Academic Coordinator Clinical Education (ACCE) is primarily responsible for coordinating the clinical education and the doctoral residency portion of the DPT Program curriculum. This is a faculty position with teaching, scholarship, advisement, and service responsibilities in addition to the administration of clinical education and doctoral experiential component/residency. This position requires significant contact with students, outside constituents, professional consortiums, and clinical education faculty at the other USAHS campuses so teaching responsibilities have been significantly reduced in order to ensure that the needs of the fieldwork program are being met.

Description:

Candidate's Background Requirements:

- Collegiate teaching experience preferred
- Experience as an ACCE
- Doctoral degree required
- Strong professional values with a minimum of 5 years clinical experience
- Excellent communication skills and ability to work in a team setting
- Promotes professionalism by modeling such behaviors inside and outside the classroom settings
- California Physical Therapy Licensure

Travel:

Travel is an expectation and requirement of this position. Site visits to clinical and doctoral residency locations is

often required to assess the suitability of the site and to monitor student's performance.

Key Indicators of Success:

This role could be right for you if you are passionate about teaching, scholarly activity, and service. Individuals who are dedicated to student-centered values and the pursuit of continued personal growth will thrive at the University of St. Augustine. As a member of the USAHS team, you will enjoy a competitive salary and attractive benefits, including medical, dental and life insurance; 401k plan; and much more. To learn more about University of St. Augustine, including how to apply, visit www.usa.edu (Employment Opportunities, respond to **Job ID: 16541BR**) or send your cover letter and CV to talentacquisition@usa.edu.

University of St. Augustine for Health Sciences is an equal opportunity employer. EOE.
