Minutes

Meeting called to order at: 7:02am

- **Debrief from CESIG Membership Meeting & planning for CESIG Town Hall: Carol and Karen**
69 in attendance at meeting. This was lower than previous years. Overall, attendees felt information provided was useful. All Board members feel it would be beneficial to have an open forum to reach membership who were not able to attend CSM.

Tentative Open Forum Agenda:

- Review of business meeting from CSM
 - Next steps for CESIG initiatives
 - SCCE Development
 - Clinical Education Timeline
 - Clinical Sites of Excellence.
 - CPI updates
 - Elections
 - CI Award
 - NCCE update
 - CSM and ELC information and proposal deadlines
 - CI Credentialing update
- **Debrief from APTA Academy of Education Board Meeting**
Received approval from Academy of Education Board to move forward with CESIG initiatives at the SIG level. Initiatives include 1) SCCE Development, 2) Clinical Education Timeline, and 3) Clinical Sites of Excellence.
- **Update on CESIG Initiatives**
SCCE Development
 - Karen is collaborating with SCCEs regarding strategies for SCCE development. This may include pre-conference or educational sessions at ELC.
 - They have also discussed incorporating SCCEs more into consortium meetings.

Clinical Education Timeline

- Reviewed data from CE Placement Process Taskforce.

Clinical Sites of Excellence

- Delphi study completed. Moving toward a pilot study.

- **Action Items**

- Schedule date for open forum and announce to membership – Carol, Karen
- Finalize agenda and PPT, and develop attendance poll for open forum – Carol, Karen, Nikki, Susan, Heather
